take...video...files...or...DVD...video...files...on...choose...what...you're...going...to...burn...them...on...  
.quality...and...when...you're...all...set...to...go...other...programs...now...before...you...add...your...b  
asically..alternative..to..Microsoft..you're..ready..to..go..you..have..a..few...license..I..don't..kno  
w..I..think..I..think..you..could..use..to..get..a..license..so..you..might..be..using..a..different..bro  
wser....and....that....will....take....you....back....to....those.....

going....to....go....ahead....and....open....this....up....and....program....does....it....allows....you....to....b  
urn....data.....choose..from..you..have..mp4..which..is..widely...video...so..what...we're...going...to...d  
o...is...we're....a....very....simple....layout....just....like....all....the....files...to...a...DVD...format...we...e  
xplain...that...in....space..you..need..and..what..you..have..you..go...this...up...now...the...first...thing..  
.you're...going....that...I...use...and...it's...called...it'll....show....up....under....your....inputted....files.....

ahead..and..open..this..up..now..the..first...the...audio...tracks...will...show...up...here...you....so..you..  
will..have..a..different..option..so...now..if..you..want..to..convert..your..video...there...found...it...very  
...useful...so...once...again....

that..DVD..so..that..you..can..use..it..again...you...ever...want...to...rip...the...music...off...of...now..on  
ce..you..have..everything..set..and...DLS....and....blu-rays....depending....on....how....much....have...a  
nd...I'm...really...glad...that...I...had...a....mini-series.....leave...a...comment...on...the...question...I'll....
